Our Presenters

Chris Haas, CFI-I, CLSS-HC, CHFM, CHSP, is a Senior Consultant at PROEDGE FM with over 25 years of healthcare life safety and regulatory compliance experience. He previously served as National Director of Life Safety & Compliance at Medxcel, overseeing programs for 200+ facilities nationwide. He holds an MBA in Healthcare Administration and multiple nationally recognized healthcare safety certifications.

Ernie Allen, ARM, CSP, is a Senior Consultant at PROEDGE FM with over 40 years of healthcare experience in Joint Commission, CARF, DNV, and CMS compliance. A former Joint Commission Life Safety Surveyor, he has completed 300+ pre-survey consultations and 150 TJC Statements of Condition. He holds ARM and CSP credentials and is a recognized speaker at ASHE and other healthcare industry conferences.

James Kendig, MS, is Vice President of Compliance Services at PROEDGE FM with over 30 years of healthcare life safety and emergency management experience. He previously served as Field Director for Life Safety Code Surveyors at The Joint Commission, overseeing 80+ surveyors. He holds a Master's degree from West Chester University and co-authored Guide to Physical Security Planning & Response for Hospitals, Medical, and Long-Term Care Facilities.
